

OGP Youth Camp FAQ

Drop-off / pick up procedures:

- We will check-in each camper on the first day of camp to ensure all contact information has been received.
- Campers will need to be signed in and signed out each day by a parent or approved guardian.
- Parents can pick-up early / drop off late as long as the camper has been signed in and signed out.

Emergency contact policy:

- The phone number and email used to register the camper have been documented as the primary emergency contact information. If you would like to add to / update this at any time, please let us know.

Allergies / epipen policy

- If your child has any known allergies, a Camp Allergy form will need to be completed so staff members are aware. In the event a child requires emergency medical treatment for a severe allergic reaction, the camp will follow the instructions provided on the Camp Allergy Form, call 911 immediately, and call the Emergency Contact specified on the child's Camp Allergy Form.

Items to Bring:

- Please make sure each camper has a water bottle and snacks. We will have water refill stations available at the facility.
- Athletic gear and shoes are required.
- Each camper must have their own basketball.

Lunch procedures:

- Campers will have a lunch break during full-day camps and a snack break during half-day camps.
- Campers can pack their own lunch or purchase a meal through our cafe (at select locations only).

- Vegetarian options will be available, please communicate this ahead of time if needed.

Injury response policy

- A sports camp is an active environment and while we take every precaution to avoid injury, by signing up for camp you are acknowledging and accepting this risk. In the event of an injury, our staff will attend immediately to your camper's needs, and log the incident in our on-site Incident Report Form. Depending upon the degree of the injury, you may be asked to pick-up your camper from camp immediately. It is important that your emergency contact information is up to date.

Friend / team request policy

- Campers are separated based on age and skill. If you would like to make a request to be on the same team as another camper, please communicate this ahead of time.
